Organization History:

Islamic Relief Worldwide (IRW) - founded in 1984 and based in Birmingham, UK - is an independent humanitarian and development organization. It supports the world's most vulnerable people in their fight against poverty & suffering regardless of race, political affiliation, gender, or belief, and without expecting anything in return. It is a signatory to the Code of Conduct for the International Red Cross and Red Crescent Movement.

IRW has a presence in 45 countries across the globe. Some funds of the organization come from individual donations and others from institutional donors such as the DFID, EU, SIDA, CIDA/IDRF, Forum Syd, WFP, UNDP, and ECHO.

Islamic Relief (IR) started working in Bangladesh in 1991 to help the distressed survivors of the devastating cyclone by providing emergency relief and supporting communities to rebuild in the wake of that cyclone. Initially, it focused on emergency relief & disaster preparedness activities. Later on, it expanded its programs on both humanitarian and development challenges. Now it works in an integrated manner combining emergency humanitarian assistance, short-term work opportunities, shelter support, awareness & training on different DRR, climate change, development, health & hygiene and social issues, cash grants, IGA means, health & nutrition, safe water & sanitation, education, advocacy and linkage with different service providers. As a registered charity, IR is open and transparent; it continually assesses its work and operational methods to improve impact and effectiveness. Islamic Relief values and commitment to safeguarding: IRB is committed to preventing any type of unwanted behavior at work including sexual harassment, exploitation, abuse, lack of integrity, and financial misconduct; and committed to promoting the welfare of children, young people, adults, and beneficiaries with whom IRB engages. IRB expects all staff and volunteers to share this commitment through our code of conduct. We place a high priority on ensuring that only those who share and demonstrate our values are recruited to work for us. All offers of employment will be subject to satisfactory references and appropriate screening checks, which can include criminal records checks. IRW also participates in the Inter-Agency Misconduct Disclosure Scheme.

In line with this Scheme, we will request information from job applicants' previous employers about any findings of sexual exploitation, sexual abuse, and/or sexual harassment during employment, or incidents under investigation when the applicant left employment.
