

Islamic Relief Donated 50 HFNC Machines Worth BDT 1.5 Crore to Prime Minister's Office

Islamic Relief Bangladesh donated 50 High Flow Nasal Canula Machines worth BDT 1.5 crore to Prime Minister's Office on 2 December, 2020 in combating deadly Covid-19 pandemic. Principal Secretary to Prime Minister Dr. Ahmad Kaikus received the machines from Akmal Shareef, country director of Islamic Relief Bangladesh. Head of Programme of Islamic Relief Golam Motasim Billah and Chairman of Allamma Fazlullah Foundation, Abu Reja Nadvee MP were also present at the handover ceremony.

Launch of Awareness with Human Action (AHA) Project

Through collaboration, a new project called AHA! (Awareness with Human Action) was launched on 24 September 2020 with the aim to build social cohesion in Bangladesh, Pakistan, Sri Lanka and broader South Asia. Funded by European Union, the project aims to increase outreach for initiatives that promote awareness on COVID-19 and constructive narratives that reduce discrimination, hate speech and stigmatization against specific communities, primarily targeting religious leaders, and women and youth leaders as community influencers. The 18 months long project is funded by European Union and implemented in a consortium of partners, including: The Network for Religious and Traditional Peacemakers/ Finn Church Aid, World Faiths Development Dialogue (WFDD), the Centre for Peace and Justice - BRAC University (CPJ), Centre for Communication and Development of Bangladesh (CCD), Islamic Relief Worldwide (IRW), Youth Development Foundation (YDF), Sarvodaya, INEB, AMAN and KAICIID.

The banner features the AHA! logo (a green starburst) and the text 'AHA! Awareness with Human Action' and 'A project funded by the European Union'. A red ribbon in the top right corner says 'Project Launch'. A world map highlights South Asia. A quote states: 'AHA! contributes to the response efforts of the COVID-19 pandemic by preventing conflict and building social cohesion in Pakistan, Sri Lanka, Bangladesh and broader South Asia.' Logos for the European Union, FCA, The Network for Religious and Traditional Peacemakers, World Faiths Development Dialogue, Islamic Relief, Youth Development Foundation, Sarvodaya, and BRAC University are at the bottom.

IRB signed a MoU with Shahjalal University of Science and Technology

Islamic Relief Bangladesh signed a MoU with Shahjalal University Science and Technology (SUST), one of the leading Public Research University of Bangladesh on 23 August 2020. The purpose of the MOU was to work in partnership between the Department of Civil and Environmental Engineering, SUST and Islamic Relief Bangladesh for promoting, participating and conducting joint research activities, training and capacity building programme, international conferences, workshops, seminars and faculty and student exchange/ internship programme in relevant areas.

Launched Project Combatting Gender Based Violence in Bangladesh in collaboration with UNWomen

Islamic Relief Bangladesh in collaboration with UNWomen implemented a project in Golachipa, Patuakhali with the aim to raise awareness by engaging imams on the emerging cause, drivers, and consequences of Gender-Based Violence related to COVID 19 with the ultimate objective of preventing violence before it occurs.

The specific objectives of the project were:

To jointly develop messages, content and communication materials to influence attitudes, beliefs and behaviour on Gender, GBV issues and COVID-19 across different communication platforms.

To disseminate Gender, GBV issues and COVID-19 related messages and communication materials endorsed by the imams with the objectives of raising awareness across communities through their influence of being faith leaders.

Observance of the Global Climate Justice Week

In solidarity with Greta Thunberg's Global Climate Justice activism, Islamic Relief Bangladesh organised weeklong (September 20-27) programmes in Satkhira with thousands of other youth forums. On September 25, 2020 Islamic Relief Staff along with thousands of young participants joined in a rally for demanding climate justice.

Islamic Relief Bangladesh Reduced Casualties by Implementing Flood Forecast-based Action

Islamic Relief Bangladesh (IRB) in association with Union Disaster Management Committees (UDMCs) has taken Forecast-based Action (FbA) at Chinaduli, Kulkandi, Noarpara and Sapdhari union of Islampur Upazila under Jamalpur district to mitigate the impact of flooding with the funding of European Civil Protection and Humanitarian Aid Operations – ECHO.

IRB provided an initial pilot for Forecast-based Action with dissemination of forecast and early warning information to local community, preparation of flood shelters and evacuation points, repair damage to access roads, evacuation routes and embankments, provision of first aid kits and medical support at shelters, evacuation support to most vulnerable households, protection and repair of tube wells and toilets in common and large catchment areas, distribution of water container, water purification tablet, soap and ORS to households as the major Early Action activities.

On 3 July 2020, Md. Faridul Haque Khan MP, Honourable State Minister, Ministry of Religious Affairs visited Islamic Relief's Supporting Flood Forecast-based Action and Learning in Bangladesh (SUFAL) project in Islampur. He talked to the families who have received tarpaulin and hygiene kits under flood anticipatory and preparedness activities. MP highly appreciated the programme and thanked Islamic Relief and its staff for implementing it. He also assured all his support and assistance for such projects in the coming days. Mohammad Enamul Haque, District Commissioner of Jamalpur also visited and spoke to the beneficiaries regarding the programme. He notified SUFAL project as an outstanding initiative of Islamic Relief and thanked Islamic Relief for supporting the vulnerable people.

Inception of SCORE Project held in Dinajpur

Islamic Relief Bangladesh started a project “Strengthen Civil Society & Community-based Organisation and Establish Community-based Women Group to Enhance Women Rights & Empowerment (SCORE)” in Nawabganj Upazila (Sub-district) under Dinajpur district in north-west of Bangladesh. The Forum CIV funded project will enhance the capacity of civil society organisations (CSOs), community-based organizations (CBOS), local government institutions (LGIs) and duty-bearers to prevent gender-based violence (GBV), protect human rights and ensure better services for the targeted ethnic minorities and extreme poor communities.

On 8 October 2020 in presence of Nawabganj Upazila Chairman Ataur Rahman, Upazila Nirbahi Officer Nazmun Nahar and other distinguished guests, the inception meeting of the project held in Nawabganj Upazila Auditorium. The guests highly appreciated the project and are confident that it would establish community-based ‘women rights & economic’ groups, develop strong women leadership, enhance skills & capacity of the extreme poor women and women of targeted ethnic minorities to address violence against women, promote gender equality & human rights and increase socio-economic mobility & empowerment.

Media Visit to ALO Project in Rangpur

Alternative Orphan Family Sponsorship Program through Sustainable Livelihood (ALO) project funded by Islamic Relief UK working in Kaunia, Rangpur for improving livelihood status, social dignity and education of the orphan children. A team of media professionals comprised both print and electronic media have visited ALO project on November 17, 2020. Shah Mobbasarul Islam (Raju), President of Kawnia Reporters Unity said- "I am really impressed seeing the activities of ALO project of Islamic Relief Bangladesh. I think, we are under the darkness of the light. ALO project of Islamic Relief is undoubtedly a good project which has changed the life of the orphan families. They are no longer burden of the society rather they have turned themselves into productive force. Now they can move everywhere carefree and have easy access to Upazila and Union Parishad. For their easy access they discuss their issues and place their demand to government authority."

Md. Mostak Ahmmad, Pesident of Kaunia Press Club said "This visit has opened my eyes to write on the participants of ALO project. ALO project of Islamic Relief is completely different from projects of other NGOs. Qard-AI-Hasana is a unique idea which other NGOs can replicate. This practice is helping the poor participants to get rid of the curse of interest in microfinance."

No Mask No Service Campaign in Thakurgaon

On 20 November, 2020 Islamic Relief Bangladesh participated in a campaign along with other government and non-government development organisations at Bangabandhu Road Thakurgaon to enforce “No Mask No Service” policy announced by the Honorable prime minister of Bangladesh to curb further spread of covid-19 in Bangladesh.

The aim of the campaign was to raise awareness among people about the threat of possible 2nd wave and also the benefits of putting on a mask and following health regulations. Sree Ramesh Chandra Sen (member of parliament-MP) chaired as the chief guest and the Deputy Commissioner, Superintendent of Police, ADC, UNO, the district and the upazilla level officers and NGO representatives also attended this event. As a part of the event, a procession was carried away maintaining social distance from Central DC office which ended at Bangabandhu Road.

Event Chief guest urged all field level officials to implement the decision firmly at all offices and sub ordinate offices. He also said “service cannot be availed without wearing a mask at government and private offices under any circumstance”. He expressed concern over the increased number of corona cases in Thakurgoan district and also urged everyone to wear masks at public places and gatherings and carefully follow all directives to prevent possible risks. Welcoming Government’s initiative the NGO representatives assured execution of “No Mask No Service” policy strictly to combat Covid 19.

Forecast-based Early Action Matrix Review Workshop Held

Islamic Relief Bangladesh office organised a workshop on 23 November, 2020 at sub district under Jamalpur district. The workshop reviewed the matrix of Forecast-based Early Action (FbA). The Sub district Executive Officer (UNO), Sub district Chairperson, both male and female Vice Chairman, Assistant Commissioner (Land) of Islampur sub district joined the workshop along with other distinguished guests. The workshop was arranged under SUFAL project which is a very successful initiative by Islamic Relief.

The aim of SUFAL project is to strengthen the flood forecasting and early warning system by facilitating impact-based forecasting to contextualise forecasts and their probability of impact to better support scenario and preparedness planning.

Islamic Relief Bangladesh provided an initial pilot for FbA with dissemination of forecast and early warning information to local community, preparation of flood shelters and evacuation points, repair damage to access roads, evacuation routes and embankments, provision of first aid kits and medical support at shelters, evacuation support to most vulnerable households, protection and repair of tube wells and toilets in common and large catchment areas, distribution of water container, water purification tablet, soap and Oral Rehydration Solution (ORS) to households as the major Early Action (EA) activities.

In the workshop Sub district chairman of Islampur highly appreciated the activities of the SUFAL project. He said, "I found innovation in this project, especially early flood preparation voice messages through mobile operator were the most unique." The UNO of Islampur, S.M. Mazharul Islam told in his speech Islamic Relief Bangladesh has implemented different programs in Islampur upazila under Jamalpur district. He thanked Islamic Relief Bangladesh for implementing the SUFAL project. He added that such workshops would serve as early action for the disaster management committee.

Inception of Promoting the Model for the EEP in Kurigram

A Project Inception held on November 03, 2020 at the officer's club room of Rajarhat Upazila complex, Rajarhat, Kurigram. The workshop was chaired by Upazila Nirbahi Officer (UNO) of Rajarhat Nur a Tasnim, Jahed Iqbal Shorawardi, Chairman of Rajarhat Upazila Parishad was the chief guest of the event. Islamic Relief's Programme Manager Enamul Haque Sarker attended the meeting as special guest. The project is being implemented by Islamic Relief Bangladesh with the financial assistance of Islamic Relief Germany. Most of the government and non-govt. officials, political leaders, elite person, journalist, freedom fighter, and representatives of civil society were participated in the workshop.

Nur a Tasnim, Upazila Nirbahi Officer (UNO), appreciated the activities of the project. She concluded the meeting saying r thanks to all for their spontaneous participation.

Involving Faith Leaders to Reduce GBV in Rangpur

To create awareness on GBV through disseminating messages by Imams among the local communities and to reduce GBV among selected households by following Channel of Hope model, Islamic Relief Bangladesh implemented a project named "Involvement of Imams in Reducing Gender-Based Violence Against Women" at three Union Parishads (UP) (Pairabond, Latibpur, Changmari) of Mithapukur Upazila under Rangpur district. Induction session of the project held on 8 October 2020 at the Rangpur Training Centre (RTC), Boldipukur, Rangpur. Total 27 Imams participated in the session. Mohammad Mamun Bhuiyan, Upazila Nirbahi Officer, Mithapukur, Mohammad Amiruzzaman, Officer In Charge, Mithapukur and Mr. Rezaul Karim, Supervisor, Islamic Foundation, Rangpur were also present along with three Chairmen from Pairabond UP, Latibpur UP and Changmari UP. The Imams were oriented on the consequences of violence against women and their role to make the common people aware to prevent that in the light of Holy Quran & Hadith. As project interventions, relevant messages against GBV were disseminated through sermon by the Imams and broadcast through cable TV network.

Joyeeta Award 2020 Received by IRB Project Participants in Rajbari

Four of our project participants - Aleya Begum, Shahida Khatun, Arvin Begum and Mst. Sheuly Khatun - of Islamic Relief's Orphan Sponsorship Program (OSP) under Rajbari district received the prestigious 'Joyeeta Award 2020' at Upazila level for attaining success in different fields by overcoming various difficulties & challenges. Among them, Aleya Begum got awarded as the district champion of Rajbari and was recommended for the divisional level championship.

Arvin Begum received the award in economic development category while Aleya Begum, Shahida Khatun and Sheuly Khatun were given the award in resilience against violence of women category. They received the awards in a colourful event organized at the conference hall of Pangsha Upazila, Rajbari on 9 December, 2020. In their speech, they thanked Islamic Relief Bangladesh for standing beside them in their distress, extending various financial & technical supports and cultivating confidence into them.

Every year since 2011, the Directorate of Women Affairs confers this award at national, divisional, district and Upazila level in five categories - economic, social development, education & employment, successful mother and prevention of repression - to the women who are champion in spite of massive barrier in their life.

The four award-winning widow women share almost the same story; they lost their husbands at an early age, passed time of untold sufferings and finally won their fight against poverty & misery by dint of their hard work, confidence and dedication. Islamic Relief Bangladesh assisted them in their journey of struggle and road to success. With the support of Orphan Sponsorship Program, they took care of their children's education, health and wellbeing. IRB also provided them training on different income-generating activities such as livestock, agriculture, handicraft, small business, etc. They also got trainings on child protection, leadership and financial management. Islamic Relief inspired them to raise voice, claim rights and stand strong against all odds of life. When the local administration communicated with Islamic Relief for nominating candidates for the award, Rajbari field office provided all relevant information and documents without any delay. Islamic Relief maintains regular liaison with govt officials and agencies in this connection.

Awareness Programme against Gender based Violence

Islamic Relief Bangladesh in collaboration with UNWomen initiated a project in Golachipa with the aim to create awareness across communities through the influence of Imams. Islamic Relief and UNWomen both jointly developed messages against GBV and COVID 19 to disseminate through leaflets, Cable TV Network, miking, mosque sermons and mobile phone messages. To kick off the project Islamic Relief Bangladesh organised a discussion at Golachipa Upazila Education Office on 9 September 2020 where 25 Imams participated.

ALO Model Replicated in Sarai UP and Haragach Pourashava

The replication & scaling up of ALO model through mobilising local resources started in December, 2020 at a Union and Pourashova (municipality) under Kaunia Upazila, Rangpur. Before starting the replication process, the ALO team talked with the Chairman & Ward Members of Sarai Union as well as with the Mayor and Ward Councilors of Haragach Pourashava. The team briefed them the project objectives & activities and shared the types of supports to be provided by Islamic Relief in the replication areas. The team also discussed the working strategies with them. The staff of the project surveyed the replication area and collected the list of orphan children from Union Parishad, Pourashava and schools. Focus Group Discussion, courtyard meeting and sitting with the community people were also conducted to find out suitable students as per the criteria.

An inception session was held in the respective Union Parishad in presence of the Chairman & Ward Members and local influential to apprise the community people about the project activities. Participant list was prepared & scrutinized by ALO team, and finalised & endorsed by Ward Members/Counsellors and Chairman/Mayor. A total of 77 participants from Sarai Union and 51 from Haragach Pourashava was selected. Four self-help groups (SHG)s were formed in Sarai Union and 3 SHGs in Haragach Pourashava. The 77 participants from Sarai Union already received child protection training; 16 SHG leaders (4 from each group) got leadership & financial management training. Half of the participants were given IGA training conducted by ALO and 4 food banks were established as well.

Flood Response 2020: START Fund Project

Islamic Relief intervened in Islampur and Dewanganj subdistricts of Jamalpur district and supported flood victims of total 8 unions. Islamic Relief provided cash grant and hygiene kits to 2800 families. Apart from cash support, tarpaulins were provided to the shelter houses. Islamic Relief installed 120 Tippy taps in 8 unions of the subdistricts and supplied safe water of 4500 liters in Kulkandi union of Islampur.

Urban Youth Group Formed in DNCC and SCC

Volunteerism in disaster management is well-accepted and widely practiced. The roles volunteers can play in disaster risk reduction (DRR) and preparedness, early warning, disaster response and post-disaster rehabilitation. Hence, ensuring this Islamic Relief Bangladesh formed Youth groups at different wards of Dhaka North City Corporation and Sylhet City Corporation who supposed to engage on Disaster Risk Reduction activity with ward disaster management committee and rescue operation team during any emergency period. Islamic Relief Bangladesh ensures to individual skill development activity on DRR, Rescue, Humanitarian, Emergency response skill. Islamic Relief Bangladesh formed youth teams to organize several social awareness raising campaigns on COVID sensitive issue, Health and Hygiene, Clean Dhaka campaign and various campaigns in collaboration with ward disaster management committee and ward volunteers.

Emergency Response to COVID 19 Situation

This project has distributed emergency packages which includes basic food items and basic hygiene kits to each project participants. Food items were tailored as recommended by Food Security Cluster (FSC). The hygiene kits that distributed were aimed to support the project participants to re-strengthen their hygiene practice to prevent corona virus. The emergency packages contained mixed package of Food and hygiene kits. Food packs consist of 15kg rice, 2.5kg lentil, 2kg Iodized salt, 2kg Semolina, 2 ltr Cooking oil, 2kg Sugar, and 6kg flour. These Hygiene kits includes 4 pieces bathing soaps, 2 packs of Detergent Powder (Laundry), 5 pieces Face Masks, and Covid 19 awareness leaflets, and a Bag. The project aimed to reach 7295 households. This was made possible by making the expenditure to the least possible extent, keeping track with market scenario and constant price monitoring of the items. The COVID-19 pandemic in Bangladesh is part of the worldwide pandemic of coronavirus disease 2019 (COVID-19) caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2).

The virus was confirmed to have spread to Bangladesh in March 2020. The overall goal was to drag the project participants out of their initial shock and to orient with the virus by providing the most necessary life-saving food and hygiene packages. Islamic Relief Bangladesh targeted the most vulnerable and affected ones and supported them. Islamic Relief Bangladesh mobilised both its staff and volunteers to distribute the kits. Staff and volunteers completed the door-to-door distribution maintaining social distance and following all possible precautions and safety measures.

Alumni Association of Post-Sponsored Children Formed

Alumni Association of post-sponsored children has been formed in all nine field offices under Orphan Sponsorship Program. From November 2020, this platform of ex-sponsored children started working. With one third female representation, the executive Committee has been formed with 11 members. The purpose of the association is to keep a continuous connection with the former children and utilize them to motivate the present children. Many of Islamic Relief's post-sponsored children are established now in different fields and are willing to share their life story with the current children to inspire and motivate. The successful children will act as the role models; they are ready to guide their successors in the field of education, career and social

work. The success story of their predecessors will certainly encourage the currently sponsored children in shaping their future plan. This association will also contribute in building awareness on child rights, education, child protection and preventing early marriage, child labour, drug addiction, etc. The alumni members will visit the Child Clubs, guide them and stand beside children if needed. Besides Alumni members will assist identifying new orphan child. They will prepare a database of former IRB-sponsored children of the area and update that regularly. They will host view-exchange program & get-together when most of the post-sponsored children stay at the area especially during Eid, Puja or other public holidays.

Shahjahan a Boy of Wonders and Courage

Md. Shahjahan is a 13 years old boy who lives in Noyachar, Fakirpara, under Kurigram district. He is the third child of his parents. His father is a carpenter and mother is a housewife. His father and his older brother earn the living of his family. At the age of three, Shahjahan got very mild, flu-like symptoms and afterwards he lost sensation on lower part of his body as well as both his arms. This happened due to polio and afterwards it led to permanent paralysis. Shahjahan's parents were worried about their son as he was unable to lift anything with his hands and his legs did not allow him to walk on his own. Shahjahan started to practice crawling on the ground to move from one place to another. Thus, he got admitted in school and learned to write using his legs. Now he is in class 7 and is one of the brightest students in his class. He not only writes with his feet; he can draw and paint pictures too. Moreover, he is very famous in his village for using legs to do all the activities that normal people do with their hands. People come to see him typing mobile phone and computer keyboards with toes and he even plays football and carom with local teenagers in the evening. Shahjahan misses his school as all schools are closed due to COVID pandemic. His dream is to complete higher studies and to earn by himself. Islamic Relief Bangladesh through ECHO Monsoon flood response project has handed over cash support to the persons with disabilities. Shahjahan's family was informed about this cash support by the member of his village who enlisted Shahjahan's name on cash support list. Shahjahan with his brother came to receive the cash support of BDT 4000 along with hygiene kits and was very happy. In his words, "I am glad that Islamic Relief Bangladesh has given me the money in this situation when we are struggling with the post flood situation. I will spend it on buying reading materials and will give rest of the money to my father to spend for my family. I wish Islamic Relief all the Best."

Emergency Support to Cyclone 'AMPHAN' Affected Communities

The Cyclone AMPHAN made landfall near Jammu Island, West Bengal at 5.00 pm BST on 20th May 2020 with 130-140 km/h wind speed and 5 meters high wave. The Western middle part of Bangladesh faced additional windy storm. The most affected districts were Shatkhira, Khulna, Jessore, Jhenaida and Chuadanga. While cyclone AMPHAN was crossing Bangladesh part it coincided with high tidal surge between 5 to 10 feet in low laying and off shore char/island of coastal districts. Overall, 76 Upazilas in 19 districts were affected where 8 districts were recognised having severe to moderate impact. The death toll was recorded at 26 people, where 2.6 million people were affected.

Considering the damage, needs were assessed and Islamic Relief Bangladesh designed this project to provide immediate support to the survivors so that they can get back to their normal life soon. Government support was also considered while designing the project. This project has reached a total of 3435 affected families at two worst affected sub-districts (Koyra and Shyamnagar) under -Khulna and Satkhira districts. Through three interventions hygiene kits were distributed among affected households consist of 10 bathing soaps, 5 packs of detergent powder, 50 pieces of disposable face masks, 8 pieces sanitary napkins, one plastic bucket a, a mug and a 2-pager IEC material for awareness on COVID-19; A hygiene promotion session was conducted during the distribution where-participants were oriented on the use of the products in the package. The covid 19 awareness material was also explained to the participants during the session.

Total 229 sessions were conducted in all unions and multi-purpose cash grants (MPCG) of BDT 4500 was given to each household to mitigate their diversified needs. A total of 16,145 people was benefited through this project actions where 4117 women, 4924 men, 3229 girls and 3875 boys were covered.

Masuma Evolved as a Successful Entrepreneur

Masuma Begum lives Omar kha, a village in Pirgachha, under Rangpur, along with her husband and two kids. Her husband has a small business of clothes, but they had not enough money to expand the business. Due to limited income her husband could not meet all family expenses. At times, he could not buy food, cloths, medicine, education materials for his children and family members. They hardly received financial help from their relatives and it was not enough. Considering their financial problems, Masuma thinks she should do something. Since she had neither skill nor capital so she had no clue how to move forward.

At this point Islamic Relief Bangladesh started their project at Pirgachha sub- district. Masuma was identified as a beneficiary of the said project. She became a member of Omar kha Self- Help Group and subsequently elected as the treasurer. She started saving at the self-help group with the support of Islamic Relief, he had prepared business plan for herself before she started her training. Considering her experience and exposure, she chose to do cow rearing. Islamic Relief Bangladesh (IRB) provided her Income Generating training on cow rearing. In addition to that she also received “leadership development, group dynamics and financial management training. Based on the business plan, Islamic Relief provided BDT 10 thousand to start her business. The amount was not sufficient to start. As such, she had to borrow money from her relatives She purchased a cow BDT 25 thousand with that money

After 9 months she sold her cow at BDT 65 thousand & purchased another cow with BDT 30thousand. She also invested BDT 20 thousand supporting her husband’s business. Additionally, she purchased goat, sewing machine and chicken with the profit she made She had an experience of tailoring & now she makes regular income using her sewing skills Her elder son Md. Masum, who is 10 years old and he studies in class five. Her next son is five and a student of class two. She paid off her loan which she borrowed from self-help group in time She submitted an application to group member for providing her Qard Al Hasana from the group saving fund. Considering her need, the group members approved her application and allocated BDT 15 thousand as second Qard Al Hasana. She purchased 100 poultry with the borrowed fund and set up a poultry farm in consultation with Upazila livestock office. She also got vegetable seed & sapling support from Islamic Relief Bangladesh. Now she has 1 cow, 5 goats and a mini poultry farm of her own. She has purchased her own sewing machine and injected capital in her husband’s business as well. The total capital of her family has gone up to BDT 4 lac 50 thousand. Masuma said “I am happy, because there is no more poverty. I have grown vegetables in my yard and it meets up our daily requirements. I want my children to complete higher education. I am so thankful to Allah and also grateful to Islamic Relief Bangladesh for their kind support and suggestions.
